BURTON COUNTY ECHO

THE VOICE OF THE HIGHLANDS THIS WEEK'S PRESS RUN 1300

VOL. LXII. NO. 29

HALIBURTON, ONTARIO Thursday, October 18, 1956

Established in 1882 as the
Minden Echo and Haliburton Recorder 5c PER COPY

Warden To Seek Liberal Nomination

MINDEN Mr. Fred Brooks, warden of Haliburton county, stated this week that he intends to seek the Liberal candidature at the forthcoming association meeting.

If successful he will be the Liberal standard bearer for

Victoria and Haliburton in the next federal election, expected to be held next June. Mr. Brooks is well known in this constituency. As well as being warden of Haliburton county he is reeve of Anson, Hindon and Minden and president of the Haliburton Chamber of Commerce.

Minden Hospital Landscaped

This week work was completed on the landscaping of the Minden hospital grounds.

A hedge has been planted on the edge of the circular driveway. Shrubs have been placed close to the hospital and several trees planted throughout the grounds.

MINDEN P.S. HOLDS SUCCESSFUL PLAY DAY

On Wednesday afternoon, October 10, Minden public school held its annual field day in the line of a play day which varies considerably from the typical field day.

This new play day idea involves every pupil in the school and not just the athletical students.

Instead of competing against one another for individual prestige, the pupils are divided into teams and compete against the pupils in the other teams.

The 10 events for the day varied from the typical field day events but did involve athletical skills to a certain extent.

All the pupils from grades four to eight participated and enjoyed themselves tremendously.

The team with the highest number of points in the end won and each member of the team received a crest appropriate for the day.

Considerable preparation and extra help other than teachers were necessary to make the afternoon successful. Some Rotary members, members of Home and School and other local citizens contributed time and effort.

To make the day complete the ladies on the executive of the Home and School Association prepared and served refreshments to the pupils.

Mr. Gary Vasey organized this activity with the help of the other teachers.

Haliburton Weekly Roundup

At the Sunday morning service of the Haliburton United Church the following were received into the membership of the church. Carolyn Watt, Evelyn Henderson, Cynthia Pearsell, Barry Austin and Mrs. Marshall Leighton. The Rite of Holy Communion was administered following the service.

Congratulations to Mr. and Mrs. Wesley McDonald of Haliburton who are this week celebrating their 49th wedding anniversary.

We are glad to report that Mrs. Frank McIntyre is making a satisfactory recovery after undergoing surgery but are sorry to report that Mr. Fred Jones and Walter C. Kellett are undergoing hospital treatment at time of writing.

Haliburton Evening Auxiliary

The October meeting of the evening auxiliary was held at the home of Mrs. Clifford Watt with 17 members and four visitors present.

The meeting opened with the hymn "Day Is Dying In the West," followed by the Lord's Prayer repeated in unison. Mrs. Ray Archer read a story entitled "God's Gifts" and Mrs. Jack Hunter read the prayer for October.

The minutes were read and approved and the roll call taken.

The president, Mrs. Ray Archer, gave a short resume of the Group 6 W.A. rally which was held at Maple Lake on October 3. It was mentioned that all members who attended found the meeting most interesting and helpful.

A reply from Dr. Foster Graham of Fenelon Falls was read regarding his Arctic slides. It was decided to ask Dr. Graham to give an illustrated lecture in the United church on November 2 at 8 p.m. Admission will be 35c for adults and 20c for children 14 and under. Dr. Graham's pictures describe his trip to the Arctic on dental survey work and his experiences among the Eskimos.

The date of November 29 was set for the Christmas bazaar.

The next meeting will be held at the home of Mrs. Rea Stinson.

The meeting closed with the mizpah benediction and lunch was served by Mrs. Watt assisted by Mrs. Archer and Mrs. Stewart.

Ladies' Bowling League

Underway At Carnarvon
The ladies' Thursday afternoon bowling league got underway at Medley's this week.

This year's executive is headed by Mrs. Jane Graham president and Mrs. Madeline Cooper, secretary-treasurer.

Four teams have been made up as follows:

Mabel Little, captain and team Betty Vaclavik, Madeline Cooper, Alice Morrison, Gladys Lister and Vera Fader.

Elva Deacon, captain and team Charlotte O'Neil, Marjorie Coulter, Emily Coulter, Mary Little and Alice Smale.

M. Cassidy, captain and team Beatrice Hamilton, Vera Ward, Flo Hewitt, Ada Stevens, M. Stouffer and Doreen Davies.

Mabel Wideman or Diane Stevens captain and team Hilda Harrison, Laura Kirkwood, Jane Graham and Libby Griffith.

Spare players are Velda Harrison of Carnarvon, Linda McKnight of Minden, Mabel Deacon of Minden.

The ladies are looking forward to another big season. There are still a few vacancies so if you are interested contact a member of the club.

Dysart Municipal Council Meet

The Dysart municipal council held their monthly meeting on Friday morning last.

Following the reading and approval of the minutes of the previous meeting, accounts Nos. 930 to 1040 inclusive totaling \$16,561.14 and direct relief accounts for September Nos. 126 to 133 totaling \$313.81 were presented to and approved by council.

The following applications for extension and service from the Dysart Municipal Telephone System were approved: Raymond and Marion Forrest, Alex Henderson, Frederick Ewing.

A motion was approved that the Dysart Township school board be offered the bell complete, taken from the community hall, Haliburton, without charge, provided the said board make use of same at the Eagle Lake public school and that at any time it is no longer used at the school it be returned to this municipality as an antique hereof.

Council passed a motion that the roof of the community hall be given a coat of antioxydene and asphalt at a cost of \$142.65 for materials as per estimate of the Panther Co.

It was decided to request the Dysart Telephone System for permission to erect a fire siren on the telephone exchange roof.

Council also passed the following motion that the request of the Bay of Quinte Funeral Directors Association to fix the minimum fee for indigent funerals at \$150 be granted and a by-law be prepared for the next meeting to that end.

A motion was passed appointing Ronald J. Curry, Harold Black, Roy Brohm, Harold Proctor and Lester Walling as members of the court of revision for the 1957 assessment roll. Merrill Bailey, Lawrence Morrison and Mervyn Robertson were appointed as alternatives. Court to convene on Wednesday, October 31 at 9 a.m.

At a meeting of the Dysart Electric Commission a motion was passed to purchase a D-2 Ulrich loader from George W. Crothers at \$10,294 less a trade-in allowance of \$1,794 for the D-6 International tractor and loader.

COUNTY TREASURY MAY SAVE MONEY

Minden—Mr. Fred Brooks, warden of Haliburton county has stated he has reason to believe that by the time the next meeting of county council rolls around he will have information to the effect that the county has been relieved of one of its large annual expenditures. It is expected this will save the county treasury a thousand dollars each year.

District Deputy Visits Minden Lodge

Mr. H. H. MacFadden of Lindsay, district deputy of the Masonic lodge, paid his official visit to Arcadia lodge in Minden on Friday evening last.

The wives of the members served at a banquet held at the parish hall. Mr. Doug. Pritchard, master of the Minden lodge, acted as chairman.

After the dinner was served those present went to the Masonic hall where a regular meeting of the lodge was held.

FIRE AT GUILFORD TUESDAY EVENING

About 7.45 p.m. on Tuesday evening the siren sounded to summons the Dysart Fire Dept. to quell a blaze at a cottage owned by Jack Henderson at eWst Guilford.

As the occupants, Mr. and Mrs. Garth Henderson were not home at the time, the blaze, which is believed to have been caused by faulty wiring, had gained considerable headway before it was noticed by Mr. Jack Henderson. But in less than 15 minutes after the alarm sounded in Haliburton, the firemen were on the job.

In order to extinguish the blaze considerable gyroproc had to be ripped off the interior. While damage to the interior was quite extensive, the exterior of the building suffered little.

The local fire brigade were highly commended for their promptness in getting to the scene of the fire in such short time.

Rotary Park To Be Enlarged

Minden—Plans have been formulated to enlarge the Minden Rotary park. The fact the park has been used so extensively this past summer by both the local people and the traveling public, has encouraged the club to spend approximately \$500.

As well club members are having several bees to clear more of the property and to improve the picnicing facilities.

C. of C. General Meeting Held In Minden

A meeting of the Chamber of Commerce was held Wednesday evening, October 10 in the Minden recreation centre. While the turnout was not as large as had been expected, many valuable ideas were discussed.

To open the meeting the president, Mr. Fred Brooks, called on Mr. Walter Noice, secretary-manager of the organization.

Mr. Noice in his opening remarks, pointed out the value of the Chamber of Commerce in Haliburton county by stressing that nearly everyone in the county, either directly or indirectly, depended on the tourist industry for a living. While 65% of the membership is made up of retailers he is disappointed that the members from the commercial section do not take a more active part.

He urged those present to contact businessmen in the area and persuade them to take more interest in the group and to do everything possible to boost Haliburton county.

In this respect it was suggested that the two members of the executive representing the commercial section call a meeting of the businessmen of Minden, Haliburton and surrounding area to discuss common problems.

It was stated by the executive 5,000 folders have been ordered to supplement the 10,000 folders that have been put aside for distribution through the coming year.

A letter was read from Mr. J. M. Irwin stating that due to the expansion of his business he needed the office space now occupied by the Chamber of Commerce and asked that they vacate by May 31, 1957.

A discussion followed regarding this matter and a committee was formed consisting of K. Banton, D. Ed. wards, Alvin Kaye, Fred Brooks and Walter Noice to select a site and plan the

Dysart Home And School

A. Stouffer Guest Speaker

The October meeting of the Dysart Home and School Association held in the high school on Monday evening, was well attended and the members and friends enjoyed a very fine talk by school inspector Mr. A. Stouffer, on "The New Trends in Education."

Most of us were well aware that the "Three R's" of our childhood had been given a face-lifting and Mr. Stouffer told us "how" and "why" in a most interesting and constructive way.

These monthly opportunities to get to know the personalities and the problems of those who are working with our children in the most important years of their lives is something that far too many parents neglect. The fees are nominal... just 50c a year... the meetings are interesting and pleasant and one gets an opportunity to meet other parents and to show interested support of our teachers who often must feel that the parents care very little about what they are doing so well.

The present executive would welcome your active support... not just for the sake of numbers but because it is one way to help you further the development of your children both at home and in school. It would be nice to have twice as many in attendance at every meeting. You will be sure of a real welcome if you join this active group.

Dr. L. H. Carroll introduced Miss Joan Cormack, the new public health nurse who has recently taken over the work here so ably organized by Miss Minott, to whom Dr. Carroll gratefully referred. This special work is no easy job in this area and any nurse who tackles its problems of roads, winter weather, distance, lack of sanitation and, unfortunately, occasional misunderstanding and resentment, deserves full marks for her courage and the full support of everyone. Many a bad situation can be avoided through her help and direction and much good can come to this community.

The next meeting is tentatively scheduled for November 19. Watch for your notice.

ATTENTION READERS

There will be no issue of the County Echo next week as we are taking a week's holidays. The next issue of the Echo will appear on November 1.

**JUST OUT AND JUST WONDERFUL!
SEE THE '57 CHEVROLET TODAY!
IT'S SWEET, SMOOTH AND SASSY!**

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including Fuel Injection!

New right down to the wheels it rolls on — that's the '57 Chevrolet!

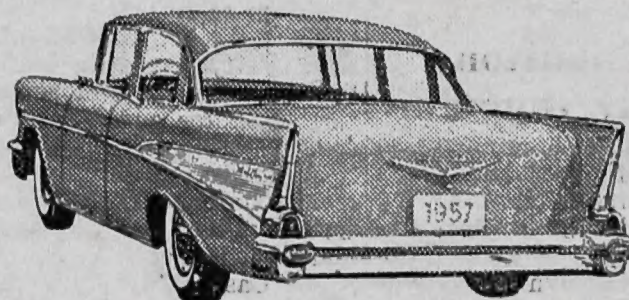

By now you know it's new in style. But treat yourself to another look. Let your eyes linger on that stylish new bonnet, that daring new grille, the deeply hooded headlights, the saucy new slant of those High-Fashion rear fenders. Chevy's new and Chevy shows it all over! It's longer and lower for '57. And Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide — and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind — the newest, sweetest, smoothest automatic of them all!

Where Do We Go From Here

AT A MEETING of the Haliburton Highlands Chamber of Commerce held in Minden on Wednesday evening last, 12 citizens of this county, which is supposed to have a population of over 7,000 people, were sufficiently interested in the future of the Highlands of Haliburton to attend. Now I know there were some four others that might have been present had they not been committed to attend another meeting but in any case one would imagine that at least 50 persons would be present to voice their opinions on ways and means to make Haliburton County more prosperous and progressive.

Now let's face the facts. While there are some bright spots in the Highlands that have a forward look, the overall picture is far from rosy and on the whole we are slipping back as a county and only by a concentrated effort on the part of citizens of every walk of life are we going to be able to meet the ever increasing tourist competition being provided by holiday areas in Hastings, Muskoka and Peterboro.

We have people who are continuously criticizing the Chamber of Commerce and we have offered to provide them with trans-

portation to the meetings so they could present their beefs in public, but as they have not accepted our offer we are forced to the conclusion that the criticisms they have to offer are groundless or they lack sufficient backbone to voice them in a public meeting.

Those whom we have questioned regarding their antipathy toward the Chamber of Commerce have a stock and trade answer: "I never got five cents worth of business from the Chamber of Commerce." I always have a guilty feeling when I hear this cheap complaint because when in the barber business I once made the same statement about the Haliburton Highlands Tourist Association when asked to contribute to a folder they were getting out. However when I considered the amount of business receipts of July and August as compared with January and February, I began to see the light.

From where we sit it would appear that our citizens are not interested in having a Chamber of Commerce and are quite content to see our county go backward instead of forward and retain the dubious distinction of living in the most attractive but least publicized holiday area in Ontario.

Wedding Of Local Interest

Sloan - Horsley

A very pretty autumn wedding took place in the little United Church at Maple Lake on Saturday, September 23. With its colorful setting of white, gold and bronze crysanthemums and rosebuds, the church looked its best as Glenda Lou, only daughter of Mr. and Mrs. Clarence Horsley, entered on the arm of her father, to the strains of the wedding march played by Mrs. Vaclavik. There at the altar with her attendants she was married to Douglas William Sloan, son of Mr. and Mrs. Herman Sloan of Peterboro. Rev. H. Vaclavik performed the marriage ceremony.

The bride looked beautiful in her ankle-length gown of white tulle with scallops of chantilly lace. Her fitted jacket had a tiny Peter Pan collar trimmed with pearls and sequins and the tight fitting sleeves tapered off in lily points. Her finger-tip veil of tulle illusion was caught to a scalloped crown of iridescent sequins and pearls. She carried a crescent bouquet of sunset roses and wore the gift of the groom, a white gold cross necklace with earrings to match.

The matron-of-honor, Mrs. Larry Thompson of Peterboro friend of the bride, was gowned in aqua blue crystallite with matching gloves, headdress, and shoes. The bridesmaids were attired in gowns of crystallite similar to the matron-of-honor. They were Miss Dorene Besse of Eagle Lake, Miss Joyce Collins of Peterboro, school friends of the bride; and Mrs. Don Sloan of Peterboro, cousin of the bride. The bride's attendants formed a very impressive and colorful procession in their fall colors of gold, coral and reseda green respectively. Gloves, headdress and shoes matched the gowns. Their nosegays were of matching mums encircled by white mums tied by matching ribbons.

The groom was smart in

his white jacket and black trousers while his attendants wore dark suits. Acting as best man was Mr. Larry Thompson of Peterboro, friend of the groom. The ushers were Garth Horsley, brother of the bride, Don Sloan, brother of the groom and Jack Mitchell, friend of the groom.

The flower girl was little Carol Baker of Trenton, cousin of the bride. She looked very pretty in her yellow nylon over net crinoline with matching headdress, gloves and nosegay. The ring bearer was little master David Temple of Peterboro, cousin of the groom.

Miss Virginia Leigh, school friend of the bride, sang very sweetly The Lord's Prayer and O Perfect Love.

The reception was held at the Wreck Room at Carnarvon under the capable supervision of the hostess, Mrs. George Pounds. It looked so bright with its white candles and colored flowers. There were over 100 relatives gathered from near and far.

The bride's mother wore a sheath dress of black wool and crepe with white accessories. Her corsage was deep red roses. The groom's mother wore a full-flare bengaline black and white dress with matching accessories. Her corsage was of deep red roses.

For going away the bride chose a sheath dress and duster in beige with brown accessories. Her corsage was yellow mums.

Showers of gifts were bestowed upon the young couple after the reception at the bride's home, West Guilford. There they met friends from Welland, Picton, Trenton, Peterboro, Toronto, Fenelon Falls, Bobcaygeon, Ottawa, Furnace Falls and local points.

A reception dance was held at Medley's hall at Carnarvon with Al Perrin and his melody makers taking over

WEDDING

Green - Carnochan

White gladioli and autumn leaves decorated the Haliburton United Church Saturday, October 6 for the marriage of Lois Ann, youngest daughter of Mr. and Mrs. Thomas A. Carnochan to Duncan Grant Green, son of Mr. and Mrs. Milton Green, Lindsay Ont. Rev. F. C. Manning officiated at the double-ring ceremony.

Given in marriage by her father, the bride chose a gown of white chantilly lace over many skirts of white taffeta. Her long veil was held by a tiara trimmed with mother of pearl and lace. She carried a bouquet of pink mums and rose buds.

Mrs. Wm. Killingbeck, sister of the bride, was matron of honor. She wore a waltz length gown of peacock blue nylon chiffon with matching feather headdress.

Bridesmaids were Miss Shirley Green and Miss Isabelle Green, sister of the groom who wore similar waltz length gowns of shrimp nylon chiffon and carried bouquets of roses and mums.

Groomsman was Mr. Edward Green, brother of the groom, from Lindsay. The ushers were Mr. Murray Davis of Lindsay and Mr. Ronald Carnochan of Oshawa.

The reception was held at Bonnie View Inn.

Mr. and Mrs. Green left on a honeymoon in Niagara Falls, N.Y. On returning they will reside in Lindsay.

MINDEN ROTARY

Monday's meeting saw the return of president Ross Woolley after an absence of three weeks due to district Rotary conference and other commitments. The guest speaker was Mr. Bob Herlihey, teacher in charge of the workshop at the Haliburton high school.

Bob spoke on the carpenter's square. He traced the history of tools from the beginning and as the talk progressed it was evident the square is a much more complicated tool than most realized. In concluding it was pointed out a good carpenter can read a square but one that can't is just a hammer and saw man.

The possibility of buying a TV set for the nurses residence at the local hospital was discussed and later was approved by the board of directors.

OBITUARY

Sarah Ann McKelvey

Mrs. Sarah Ann McKelvey of Creston Valley, B.C., passed away September 3 at the age of 86 years. This outstanding woman, who performed miracle work for the Creston Valley during the flu epidemic of 1918, tending many valley families and who was presented with a medal for her outstanding work by the Red Cross during World War II, will be missed by many.

She was born in Minden January 5, 1870 and in 1900 married H. McKelvey at Squin Falls, Ont., going west in 1903 to Creston Valley where she has resided to the time of her demise.

She was one of the early members of the local Women's Institute, The St. Stephen's Presbyterian Church W.A. and was well known for her many and varied community efforts.

Funeral services were held from St. Stephen's church with Rev. Pollock officiating.

She is survived by her son Ray of Creston and a daughter, Mrs. F. R. Lidgate of Edmonton, Alta and two grandchildren, Ray and Shirley. Her husband predeceased her some years ago. Interment was in the Forest Lawn cemetery. Mrs. McKelvey was a sister of the late Mr. Harry Hobden and Mrs. Joseph Pritchard of Minden.

Lady Mayor Addresses

Warden's Banquet

Last Friday evening Mr. Fred Brooks, warden of Haliburton county, entertained members of the county council and their wives at the Wagon Wheel.

After a delicious turkey dinner Mr. Brooks welcomed his guests. He thanked the councillors for their co-operation during his term as warden and said he hoped the guests would have an enjoyable evening.

Mr. Brooks introduced the county treasurer, Mr. Frank Welch, who acted as chairman through the remainder of the evening. He, in turn, called on Mr. Clayton Rogers, reeve of Stanhope, to introduce Mrs. Wanda Miller, mayor of Gravenhurst. In introducing the guest speaker, he assured his listeners that Mrs. Miller didn't become mayor the easy way. In her first election win as mayor she was in a three-way fight that, as he pointed out, is a triumph for any politician.

The mayor spoke on "The Business of Being a Lady Mayor." She traced her experience from the time she was a happy, carefree school-teacher to the present time.

In her early years as a housewife she said it seemed as though she were looking at the world through rose colored glasses but after raising two daughters and many years of housework the rose color dimmed and she was persuaded to enter politics.

Mrs. Miller thought every one should mind their own business but suggested good citizens should enter politics because politics are everybody's business.

She traced her career from the time she was elected to the local school board and stated that in the beginning the men were dubious about having a woman on the board but when leaving after having served as chairman she knew the male members were genuinely sorry to see her leave, because in all such groups a woman's viewpoint is needed.

After moving to Gravenhurst she permitted her name to stand as a candidate for council because she felt a councillor should be honest, true and outspoken, and was convinced she possessed all these qualities. On council she accepted all the undesirable jobs that are thrust upon junior councillors, but through the years in a determined way, made it a point to learn all she could about municipal affairs. Finally, after qualifying as a mayoralty candidate she was elected and has held the office for three years and has every intention of trying for a fourth term.

One of the biggest problems of being a lady mayor is to appear at every public gathering wearing a new dress. While a male mayor may wear the same suit for three years, it is a cardinal sin for a lady mayor to appear twice in public wearing the same dress.

In closing the mayor urged her listener to do all in their power to provide good municipal government, otherwise our provincial and federal governments will be weak.

NATIONAL BUSINESS

HEAD

Raymond Dupuis, Q.C., Montreal, who has been elected president of the Canadian

Raymond Dupuis, Q.C.

Chamber of Commerce at the national business organization's 27th annual meeting at Quebec City, October 15 to 18. Mr. Dupuis, who is president and managing director of Dupuis Freres Limitee, Montreal department store and mail order house, knows Canada and Canadians well because of his wide business contacts and his cross-country activities with the Canadian Chamber.

A leader in Chamber of Commerce activities, Mr. Dupuis has served during the past year as national vice-president of the Canadian Chamber, and has been president of la Chambre de Commerce du District de Montreal.

Activities in association, community and welfare work include: former vice-president of the Canadian Retail Federation, past president of the Federation of French Catholic Charities, governor of Notre Dame and St. Justine hospitals in Montreal.

Mr. Dupuis holds directorships in the Royal Bank of Canada, Shawinigan Water & Power Co. and a number of other companies and he also is chairman of the board of directors of a number of insurance firms.

He takes over from J. G. Crean, Toronto, former president of the Canadian Chamber of Commerce.

After her formal speech Mrs. Miller proved she is a very talented entertainer by very ably telling a few stories that had the guests roaring with laughter.

The chairman asked Mr. Walter Noice to express the thanks of those assembled to the guest speaker, which he did in a very able manner.

Miss Virginia Leigh and Martha Ann James entertained with vocal solos, accompanied by Mrs. Don James.

Mrs. Brooks presented gifts to the guest speaker and to those who entertained. In closing Mr. Welch thanked the warden for providing such an enjoyable evening for all those present.

Demonstration To Be Held Here

Famous Trichologist Will Demonstrate How To Grow Thicker Hair - - and Guarantees It!

This new method of home-treatment for having and growing thicker hair will be demonstrated in Haliburton, Ont., Sunday, October 28.

These private individual demonstrations will be held at the Beaconbrook Hotel on Sunday ONLY, noon to 9 p.m.

LONDON, Ont.—In an interview here today Wm. L. Keele, internationally famous trichologist and director of the Keele Hair Experts, Ltd., said "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so-called cure-all could correct all the disorders," he explained.

GUARANTEED

"The Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offer a guarantee," Keele said.

Once a person avails himself to the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee. "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

HOPELESS CASES DISCOURAGED

First, the Keele specialists are quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category.

If there is fuzz, no matter how light, thin, or colorless, the Keele firm can perform wonders.

Every one is given a complete private examination to determine the condition of his scalp and condition of his hair trouble.

FREE EXAMINATIONS

This examination is very thorough and highly technical, it requires 20 to 30 minutes. There is no charge for

this examination and no appointment is necessary. After the examination he is told the required length of treatment and how much it will cost.

After starting treatment he makes regular reports to the Keele firm in London and a trichologist will return to check his progress periodically.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, the Keele firm is sending specialists to various cities to conduct examinations and start home treatment.

NO CURE-ALL

"We have no cure-all for slick, shiny baldness," Keele emphasized. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

HAIR FOR LIFETIME

"If clients follow our directions during treatment and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

HOW'S YOUR HAIR?

If it worries you call Trichologist Benny A. Leggio at the Beaconbrook Hotel in Haliburton, Ontario on Sunday ONLY, October 28, 12 noon to 9 p.m. The public is invited.

You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

building of a permanent office.

All those present felt the county should again have a booth at the Sportsman's Show this coming year and recommended that the general executive discuss the matter and make the necessary arrangement.

The Dept. of Travel and Publicity have booths at all the major sportsman's shows in the U.S. and Mr. Dave Edwards suggested they may be willing to distribute Haliburton folders.

The president thanked all those who helped with the colorama week end and thought that the advertising done by the Chamber of Commerce had encouraged many to visit the county.

Mr. Garnet Lytle, who acted as guide on the colorama bus stated that only one person on the bus had ever been in the county before. He felt this was an important part of their work to attract new visitors to the county.

Dr. H. E. Good suggested that something should be done in conjunction with the county council to acquire lakeshore property as park sites. He felt it was a necessity that the traveling public should have access to the lakes in the area without traveling over private property. Mr. Noice agreed to bring the matter up at the next meeting of county council.

A letter was read recommending that government docks should be equipped with launching facilities as many boats were brought into the county on trailers and the owners found it very difficult to get their boats into the water. This recommendation will be passed along to the Dept. of Transport.

Mr. Noice, in summing up the discussion said he felt the two big jobs ahead were finding a permanent office and providing an ample supply of folders. He promised to work hard to achieve these aims and asked the members to do the same.

CARNARVON

Mrs. George Cowan is visiting with friends and relatives in London, Ont.

We wish a speedy recovery to Mr. Royce Packard who is a patient in the Civic Hospital, Peterboro with an eye injury that is quite serious.
